patch. Ginny, daughter of Mr. and Mrs. Arthur Bassett of Park Street, Mattapoisett, planted one seed given to her at school as a 4-H project. Ginny planted her seed 2 days after she started her vacation and now has a 30-foot vine and two gigantic pumpkins. However, in the meantime the instructions as to the terms of the contest have disappeared so that no one is too clear as to how to compare this result with the other 4-H seeds. Ginny has 3 brothers, Terry, Barry and Jeff. She does not plan to become a farmer but would rather be a singer when she grows up.

She now walks with a cast on her legs and her motor coordination is limited. Before the accident she was an excellent swimmer, but after she was frightened of the water.

She was enrolled in a swimming class for handicapped youngsters sponsored by the YWCA and the Easter Seal Society and through dedicated volunteers and Kathy's determination she began to swim again. Linda Moffat, Kathy's swimming teacher at Camp Massasoit, said Kathy was chosen not because she was the best swimmer but because she had accomplished the most despite her handicap. Parents of handicapped children are urged to participate in the recreational programs available to them at no cost through the Easter Seal Society.

## Unique Art Exhibit

### "SMU FACULTY COLLECTIONS"

On September 8th, the Southeastern Massachusetts University Gallery inaugurates its 1974-75 schedule with an exhibition entitled "SMU Faculty Collections". The exhibition is characterized by a diversity of offerings. The visitor can enjoy 18th century Hogarth prints, Art Nouveau vases, African sculptures and jewelry, and even a World War II Walt Disney War Bond poster. In addition many well known modern artists will be represented.

This particular exhibit is unique in that all of the art works are owned by SMU Faculty members. The public is now invited to view these works for the first time. According to Fred T. Smith, the Gallery Coordinator, "The importance of this particular exhibition is that it brings together an exciting assortment of art forms that until now have been hidden away in private collections."

county political functions sponsored by area candidates. Names of members of the Town Committee would be placed in a hat and drawn to attend these functions.

The Committee voted to contribute \$100.00 to the Congregational Church Building Fund. Members felt that this would be a nice way to show their appreciation to the church for their generosity in the past years for allowing the Town Committee to place the paper van in their yard every month for the collection of scrap paper.

Several dates to keep in mind for the following month are as follows: September 7th-8th, monthly paper collection; September 8th, a clambake for Candidate Thomas Matthews who is running for representative will take place at the Holy Ghost Grounds in Mattapoisett at 1 P.M.; September 10th, Primary Election Day. Everyone is urged to go to the polls; September 15th, a cocktail party at the Elks in Wareham for your local Sheriff, Linwood H. Snow, who is running for re-election. This event takes place at 7 P.M. There will be dancing and plenty of Hors D'Oeuvres.

If our government is truly to be a government "of the people, by the people and for the people", then you must go to the polls on Tuesday, September 10, 1974 at the Old Hammondtown School and vote in the State Primary Election.

This year more than any other, since we will not have any state political caucuses, you the voters of Mattapoisett can if you fulfill your responsibilities determine who you want for candidates in your state elections.

Nor should the independent voters be afraid of losing their independent status; you will be allowed to re-register as an independent immediately after voting. The re-registration will take place at the polls immediately after you vote.

To those of you who will get out and vote on Primary Day, September 10, 1974, I would ask that you vote for Ted Harrington for Attorney General of Massachusetts.

This is a man I can endorse without hesitation and I believe that if you will look at his record you will vote for him without hesitation.

Ted Harrington was law clerk to Chief Judge Paul C. Reardon, Massachusetts Superior Court 1960-61;  
Special Trial Attorney Criminal Division, U. S. Dept. of Justice 1961-65;  
Assistant United States Attorney for Massachusetts 1965-69;  
Attorney in charge of United States Justice Department's "Strike Force" Against Organized Crime for the New England Area, 1970-73

THIS IS THE MAN YOU WANT FOR  
ATTORNEY GENERAL OF MASSACHUSETTS

Sincerely,

Donald J. Fleming

### MAKE LEMON BUTTERED ENGLISH MUFFINS

Autumn is the time for hot toasted English muffins at breakfast, lunch, supper, snack time. The Thomas' people, Specialty Bakers for nearly a century, suggest that you try some innovations with the traditional hot toasted buttered English muffin served with marmalade or jelly. Here are two. To make a Lemon Buttered English muffin, mix  $\frac{1}{2}$  cup sugar and  $\frac{1}{4}$  cup butter or margarine. Mix in 3 tablespoons lemon juice and 1 tablespoon grated lemon rind. Split 4 Thomas' English muffins by scoring with tines of a fork and then gently pulling apart. Toast; spread with lemon and butter mixture. Broil about 3 inches from heat source about 5 minutes or until bubbly and lightly browned.

Another suggestion is for Orange Topped Muffins. Stir together 2 tablespoons melted butter or margarine,  $\frac{1}{4}$  cup sugar and 1 tablespoon grated orange rind. Spread on toasted split English muffin and broil lightly in oven. Makes topping for 6 muffin halves.

## introducing the BEE-utiful BANK.

There are lots of nice things we could say about ourselves.

Like unexcelled. Or unequalled. Maybe unsurpassed. Or even unmatched.

And, happy to say, lots of folks who bank with us would agree. They've long since discovered what real convenience and real service are when it comes time to bank.

But, honestly now, we'd rather let them do our talking for us. Let them say the beautiful things.

Of course, we'd like you to find out for yourself what makes us BEE-utiful. And then you could say BEE-utiful things, too.

### PRAISE FOR TOWN BEACH

A visitor to Mattapoisett during August,  
Robert M. Coquilllette wrote to congratulate  
the Board of Selectmen on the fine way the  
town beach is maintained. He especially  
commended police woman Beatrice Ingram  
for her welcome spirit plus a firm hand  
in beach order. He said that she is doing  
a fine job for the town.

### CEMETERY MARKERS

Selectmen have replied to a request by  
Dorothy Fox for permission to install stone  
markers with plaques in the Barlow and  
Hammond Cemeteries as part of the Bi-  
Centennial celebration. The Board of Se-  
lectmen voted to grant permission for Bar-  
low Cemetery markers but advised that  
Hammond Cemetery does not belong to the  
town. They have notified Walter Apper-  
son, Hammond trustee, who will contact  
Miss Fox in the near future.

### LEGISLATURE TOO LIBERAL

In a letter of August 26th to Daniel M.  
O'Sullivan, Director of Legislative Re-

search Bureau, the Board of Selectmen  
wrote that the legislature has been much  
too liberal and too ready to vote in favor  
of legislature without consulting local  
officials. Recent examples are: police  
incentive pay, fire and police chief ratio  
pay bill, Chapter 766, state building code  
and Chapter 948 or 1973 on ambulances.  
The Board of Selectmen feel that action  
must be taken soon to curtail the ever in-  
creasing number of new laws affecting the  
finances of cities and towns.

### SYMPATHY LETTER TO MR. ST. JACQUES

On August 27th in a letter to Oscar St.  
Jacques of 19 Acushnet Road, the Board of  
Selectmen extended sincere sympathy on the  
demise of his wife Pauline. "Her outstand-  
ing service to the town as a registrar of  
voters for 6 years will be long remembered  
by fellow townspeople."

### OPPOSED TO LAW ON AMBULANCE SERVICES

services in the case of small towns. The town of Mattapoisett consists of only call firemen and the ambulance is under the police department. Each shift consists of 3 men and one man is on the desk. One man is in each of the 2 cruisers on continuous patrol. The ambulance is manned by 1 of the men assigned to cruiser duty. To assign both would leave the town completely unprotected. To provide 2 policemen for ambulance duty would make it necessary to increase the police force by 3 men, the total force from 13 to 16, meaning a budgetary increase of about \$35,000. per year, an unreasonable and unnecessary financial burden.

The Board of Selectmen urges the Commission of the Department of Public Health to exempt small towns from the requirements to staff ambulances with 2 men.

## A Thank You

We wish to express our appreciation for the prompt help given us by the Mattapoisett Police Department on August 17th, when our daughter was stricken with a convulsive seizure while asleep at our summer home on Angelica Point. Officer Santos,

the driver of the ambulance, which rushed us to St. Luke's Hospital in New Bedford, was so kind and helpful. In the excitement I neglected to get the name of the two officers in the attendant cruiser car, but they were so considerate and good to us. We are also grateful to Dr. Flynn who came down from Point Connett to offer his assistance when he saw the ambulance. We owe them all our heartfelt thanks and gratitude.

## Ask The League

"Is there any way a person can vote in the primary if he does not wish to be a member of either political party?"

In Massachusetts, an unenrolled voter, or Independent, may vote in the primary election. The voter simply goes to the polls on primary day September 10 and asks for either a Democratic or Republican ballot. Immediately after voting, the voter may ask for a card to disenroll from that party. The voter fills in the card and either mails it back to the city or town clerk or takes it back personally to maintain an Independent status or change party affiliation. Registered Democrats or Republicans may only request the ballot of the party in which they are enrolled, although they too may change at any time by filling out a card and returning it to city or town hall.

urer, Auditor. On a district basis voters will be choosing their candidates for the United States House of Representatives, Executive Council, State Senate, State Representative, one County Commissioner (2 in some districts with unexpected vacancies), Sheriff, District Attorney.

Not all these offices will be contested in the primary. In some cases there will be only one candidate on the Party's ballot for each position and in other cases one party may not be running any candidate. Primaries, however, are very important elections because in some areas the most important contests occur in the primary and the winner of the primary in one party is almost always the winner of the election. The voter who waits only for the final election is often unknowingly disenfranchised.

These questions are two of the many now being received by the League of Women Voters Voter Information Phone. Individuals with any questions on government may call the VIP phone Monday through Friday be-

## Rochester Seniors

The Senior Citizens Club of Rochester will resume their monthly meetings on Tuesday, September 10th, at the St. Rose of Lima Church hall on Vaughan Hill Road, at 1:00 P.M. Members, please note the change in time.

Revised by-laws will be presented and plans for the Fall season activities will be discussed. Following the business session, an auction sale will be held. It would be appreciated if members would bring in articles for the auction.

Meetings were not held during July and August but members were busy in pleasure group outings: a boat trip to Nantucket, a day at the Heritage Plantation in Sandwich, picnics and cook-outs. A summer bowling group was formed and continued their weekly bowling.

The regular bowling teams will start in September. All Rochester seniors are welcome to join the bowling group. You do not have to be a member of the club to participate. If interested, please call Mr. Samuel Spindler at 763-2602 by September 10th.

## FORMER MAYOR'S EXPENSE ACCOUNT TOO RICH FOR STATE

Ex-New Bedford Mayor George Rogers — who acquired quite a reputation as a freewheeling spender while at City Hall — apparently didn't kick the habit after he became a state Department of Education consultant.

So much so that department officials decided it was cheaper to pay him \$100 a day rather than a lesser rate (\$62 a day) plus expenses. That's part of the reason his contract was changed March 9.

During the five weeks the old contract was in effect, Rogers — an "occupational education" consultant — averaged a bit more than \$106 a week in expenses, according to vouchers on file in Boston.

A great percentage of his claimed expenses were for mileage, hotels and meals. The former mayor's consultant duties involved travel around the state. However, the vouchers also show that Rogers billed the commonwealth for a new battery, a new tire, gas and even having his car washed. In addition, some of his food bills exceeded department (and state) guidelines by just a bit.

### DINNER FOR THREE: \$28

For instance, there was that \$28 dinner at Anthony's Pier 4 on Jan. 25 (including a \$3.75 tip) that was billed as a "dinner-conference" with Rep. Robert A. Belmonte, R-Framingham, and Rep. Raymond S. Peck, D-Dartmouth. Neither Peck nor Belmonte has a committee assignment that even remotely has a connection with occupational education, according to the House speaker's office.

However, it's no secret that the Framingham Republican is close to Rogers and, in fact, was his choice as New Bedford School Committee bargaining agent. And Peck is Rogers' closest ally among the Greater New Bedford legislative delegation.

The state Department of Education's fiscal officer, Gerald Lambert, says the department places a \$5 a DAY limit on meals — \$1 for breakfast, \$1.50 for lunch and \$2.50 for supper.

Lambert also says the 10 cents a mile auto allowance is supposed to cover such things as gas, a battery, a new tire, a towing charge and certainly having one's car washed.

### RECOMMENDED CHANGES

Lambert says he recommended changing Rogers' contract, partly so the former mayor — and the department — would not be involved with "receipts for every little item" . . . and partly because he thought it would be less expensive in the long run.

The vouchers show occasions on which Rogers checked into a Boston motel for a period of two or three days — and also billed the state for mileage to and from New Bedford after checking into the motel and before checking out.

The former mayor says this is correct, that he was forced to return to New Bedford on official business on these occasions.

Lambert is quick to point out that the Education Department never actually reimbursed Rogers for his claimed expenses. (Actually, Rogers' expenses would have been paid from federal funds, as were his \$100-a-day consultant fees.)

However, it's also true that the department gave Rogers a check covering the difference between \$62 a day (or \$310 a week) and the new \$100-a-day rate — retroactive from March to the first day he went on the payroll, Jan. 24.

Rogers, of course, hasn't been functioning as a consultant for several weeks, ever since he announced July 5 he would be a candidate for the seat now held by Sen. George G. Mendonca, D-New Bedford.

and fiscal responsibility September 10th.  
We hope you do, too."**

## "GREAT CAPE BOAT RACE"

"The Great Around the Cape Race", scheduled initially for September 14th, has run aground temporarily due to U. S. Coast Guard involvement with the America's Cup races that day.

Local Coast Guard authorities had granted go-ahead for the September 14 date. However, further discussions on manpower needs to assure proper spectator and participant safeguards at both races brought

forth concern that this would not be possible.

Skip Robinson, owner of Onset Bay Marina (the race sponsor), stated that a final meeting would be held with Coast Guard officials next week to firm up a new date -- probably September 28.

Robinson added, "We feel our around the Cape race will have significant long-term economic and prestige value to Southeastern Massachusetts and New England. We hope, eventually, it will become a power boating counterpart of the acclaim and economic successes achieved by our neighbors in Newport. With this in mind, we naturally wish to cooperate fully with the Coast Guard, the Army Corps of Engineers and others involved, with the goal that this 'first ever' power boat race becomes a model for an annual competition."

Robinson concluded that "The Great Race" -- which will feature Magnum, Cigarette and Donzi classes capable of averaging 60-70 mph over the proposed 115 mile course -- had already drawn interest and entries from across the country.
